Multiattack. The remnant makes two Necrotic Surge attacks.

Spellcasting. The remnant casts one of the following spells, requiring no material components and using Intelligence as the spellcasting ability (spell save DC 13):

At will: mage armor, mage hand, prestidigitation

1/day each: bane, dimension door, web

Phase (2/Day). The remnant becomes partially incorporeal for as long as it maintains concentration on the effect (as if concentrating on a spell). While partially incorporeal, the remnant has resistance to bludgeoning, piercing, and slashing damage.
